- Your Advisor’s name is in upper right-hand corner under “Enrollment information.” Clicking on his name will take you to his email address.
- This page contains 3 course sections. The first section will show any courses we have transferred from other schools. The next section will list all completed courses with grades. The final section will list your current courses.

- The left-hand menu contains three tabs.

- Under **General**, choose 1098T when you get ready to file your taxes. The Business Office will send out a notice to let you know when those forms are available.

- Under **Financial**, you may see the current semester’s charges and credits, including scholarships. A link to pay will be available under your balance until you have paid or made payment arrangements.

The **Ledger** tab will give you the same information but will include ALL semesters attended.

- The **Academics** tab contains a great deal of information.
 - You may view your attendance records for each class under the **Attendance** tab and any holds you have under the **Holds** tab.
 - The most useful tab is **Schedule**. Here you may view your courses with times and room numbers. Clicking on the course NUMBER will take you to the professor’s course page, which contains a syllabus link. Clicking on the “clipboard” will take you to the forum.

Clicking on the red asterisks will show your GRADES thus far.
